This grant year, what "Extra" honors/certificates/etc. have you earned?

Other Leadership roles within my school/district.

One word you'd use to describe your grant experience so far and why?

Rewarding - I learn something new every time I meet with my grant for any event!

What is one strategy, tool, or mindset from this grant that has radically changed your teaching practice?

I love the Teaching American History Seminars.

In what ways has this grant grown you as a teacher leader?

I love all the new things I am learning that I can share with my teachers.

How are you bringing grant learning back to your school or district?

I am constantly sending emails to my social studies department.

"Because of EPIC, I now want to make sure that I continue to collaborate with the teachers at my school and help find new ways to teach students and help them enjoy learning."
